Spring is here, and summer is right around the corner! We at the Beach Health Clinic are grateful for the warm weather and always continuing to serve patients!

A big thank you to our volunteer providers and health care staff!

We Appreciate Your Continued Donations!

The BHC staff and volunteers are thankful for your monetary and non-monetary donations. They always help make the BHC a better place and we hope to keep making the BHC an even better place. We will provide options of making donations. Thank you!

The Beach Health Clinic Wish List: paper towels, toilet paper, hand soap, cleaning supplies, tissues

Check us out on Facebook!
Above: In March, the SVBGH Auxiliary held a fashion show, luncheon, and silent auction with proceeds going to the Beach Health Clinic. Models showcased different boutiques in the local community. Shown above are our volunteers Pam, Jackie, and Kelsey, from left to right.

Below: In March, members of the clinic attended the annual Pink Tea event. Pictures from this special afternoon can be seen below. This is an annual fundraiser in support of breast cancer prevention and at the same time, supporting the clinic. It was a fun afternoon had by all attendees. Thank you again for the donation, we look forward to this event every year!

Right: Our volunteer Jacqueline work in the community garden. This year, we planted cucumbers, tomatoes and green beans which will be growing this spring for our patients.

Above: Dr. Manian accepts a $10,000 donation on behalf of the clinic from the gala event of Association of American Physicians of Indian Origin of Hampton Roads. (AAPI-HR). Thank you Dr. Manian for your service and constant efforts to better the clinic!

Right: Thank you to Dr. Cox, DDS for your continued support of the clinic and surrounding Hampton Roads community. As an adjunct professor of ODU’s School of Dental Hygiene, Dr. Cox serves as a mentor to these dental hygiene students while providing services to our patients. Thank you again Dr. Cox!
Dr. Benham began serving the clinic in 1998. Truly dedicated to the mission of the clinic coming from Chesapeake! The clinic and our patients will truly miss Dr. Benham’s empathy, care to all, and service! We hope you enjoy your time with grandkids, and playing golf among other things!

Dr. Stehlik began volunteering in 02/2005 at the clinic. In his time at the clinic, he saw and helped numerous ENT patients. We hope you enjoy your free time with your wife, Barbara! Thank you again for your service to the clinic!

Dana Wheeler began serving the Beach Health Clinic in 2011 and volunteered every Tuesday as our Phlebotomist. She gave to the clinic in many ways. As a Registered Nurse she was able to use those skills at the clinic. Dana found joy in helping in our clinic’s community garden. We will miss you Dana! Thank you and Farewell!

Dr. Venkatesan, a nephrologist, started with the clinic in 2006 and later joined the clinic’s Board of Directors. Patients and staff will remember him through his caring nature and compassion. For example, when he retired from private practice, he ensured that his practice would continue to see those patients from our clinic.

Sarah Jane Smith, NP began volunteering in August of 2010. Since the beginning, the patients of the clinic have benefitted from her dedication, compassion and attention to details. We especially remember Jane for her commitment to helping children. For example, she was empathetic towards the children who were displaced by hurricane Irma and was able to provide them with physicals for their new school.

Below: The Beach Health Clinic would like to give a special thank you to Glenn Webb. Mr. Webb hired a landscaping company to clean up the front entrance of the clinic free of debris and shrubs.

We are so thankful for this kind act!

Above: Our volunteers Kelsey and Samir took time out of their morning to fill the pot holes in our parking lot. This makes for a much more smooth entrance into the clinic parking lot! Thanks Kelsey and Samir!

Thank you and Farewell!
